09. October 2026

Holiday childcare

Give your child a break with profawo

A program that suits your child

During the summer and fall school vacation weeks, profawo offers kindergarten and elementary school-aged children a varied and diverse vacation program.

The children immerse themselves in different themed worlds.

The varied program offers excursions as well as time to relax, play, and pursue their own interests.

Children from kindergarten age to the end of 6th grade can participate.

During our holiday week from 05. October to 09. October the theme is "Our Universe – Sun, Moon & Stars."

Holiday program from 05. October – 09. October 2026

«Our Universe – Sun, Moon & Stars»

Monday, 05. October 2026

Welcome to the Universe

We start the week with an introduction to the topic:
«Who has ever seen the night sky?» «What are stars made of and why do they twinkle?»

In the afternoon, we will make sparkling stars and build our own star projector.

Tuesday, 06. October 2026

Dream trip to the moon

We start with gentle yoga exercises and an imaginary journey in our moon rocket. Then we make a moon phase mobile and spend the afternoon discovering moon and star experiments, symbolizing water on the moon and experiencing gravity.

Wednesday, 07. October 2026

Star adventures for little explorers

In the morning, the children will become little inventors and make their own glowing night lights. In the afternoon, the «stars crew» will start with space games such as rocket launches, asteroid throwing, and stardust transport.

Thursday, 08. October 2026

Through the universe with modeling clay

We dive into the colorful world of the universe and mold our own planets, sparkling stars, and mysterious galaxies, letting our imaginations run wild. In the afternoon, we set off on a great comet hunt, discover star treasures, and experience a galactic adventure full of fun.

Friday, 09. October 2026

Mission Planetarium Lucerne

Day trip

The children begin their expedition into the solar system at the Lucerne Planetarium. They explore the sun, planets, and rings of Saturn. After exciting discoveries, it's time to return to Earth with mission accomplished.

Please bring lunch from home on Friday.

We will all meet again at Lettenstrasse 8D, 6343 Risch-Rotkreuz at 18:00.

*Further information
and registration*

Important information

Food

Breakfast, lunch, afternoon snack, and drinks are included. **Children bring their own food on day trips.**

Clothing

During the holiday program, the children will be busy doing crafts and playing games. Please dress your child appropriately for the circumstances.

The caregivers will try to keep your children's clothes clean, but they should also be free to express themselves.

Management

The week is led by an experienced and passionate manager, who is supported by another dedicated caregiver.

Registration

Registration is now open at <https://www.kidsco.ch/ferienbetreuung>
Individual days or the entire week can be booked.
